Prescott Frontier Rotary

Celebrating a half  
century of service to  
the Prescott Community  
on May 2, 2023!

## Prescott Frontier Rotary

Since its inception in 1974, Prescott Frontier Rotary has always had its focus on the children of our community and those of the international community. Beginning in the mid-80's we helped with funding for the PUSD summer school program for elementary students, and that program is now called the Frontier Rotary Summer School Program. We have also contributed to the middle school summer school program.

Several years ago, we began helping to fund the Prescott High School Path to Graduation program that provides online classes so that students can graduate on time. We've now added funding for a similar program at Bradshaw Mountain High School.

Four years ago, we became involved with Dolly Parton's Imagination Library program. This program provides a child from age 0-5 with a FREE book every month!

And there many others: Hungry Kids, Books to the Rescue, Caborca Children's Hospital, Rotary Youth Leadership Awards, Polio Plus, Shelter Box, to name but a few.
