

for communities worldwide  
organized by Rotary Clubs

## YOUR EMAIL TO FRIENDS & FAMILY

**Already written for you and ready to send!**

Dear Friends and Family,

**This is a bit different.** Often when friends ask for support, they're tackling a big personal challenge like a long walk or ride. Rotary is pioneering something new... a big service challenge to see how much good we can do all around the world all on one day!

**Our goal this year** is to organize 20,000 Rotary and other volunteers to serve in 1,000 communities on 4 continents. With our passion for service, we'll soon expand to all 1.2 million Rotary members, plus public volunteers, in 36,000 communities worldwide.

### How can you help?

**DONATE to help my Club expand the good we do year-round.** Rotary serves the varied needs of our communities, like job training for the homeless... building neighborhood gardens... funding mental health programs... and so much more.

**Donate now at [www.epicdayofservice.org/mypage](http://www.epicdayofservice.org/mypage).** Your generosity is multiplied by our member's own donations and volunteer hours.

**VOLUNTEER on a project.** It'll be fun, rewarding, and a great way to bring the community together. Everyone is welcome, especially our friends and family.

**Find a project at near you at [www.epicdayofservice.org/findaproject](http://www.epicdayofservice.org/findaproject).**

**Find my Club's project at [www.epicdayofservice.org/projects/myclubsproject](http://www.epicdayofservice.org/projects/myclubsproject).**

Your support means a lot to me, and even more to the people whose lives you'll touch.

THANK YOU!

---

When you sign up on the EPIC website for your Club's project, you'll automatically receive an email with the content above. You can make changes if you like, but it works well as-is. Just paste it into an email and send it to friends & family across the country. You'll feel good, knowing that you're doing good, as you see the donations roll in.

See YOUR PERSONAL FUNDRAISER PAGE for an example of how your Page will look.
