Denver Southeast

**Rotary does a world of good!**

**We're best-known for our work to eradicate polio.** Since 1979, we've contributed billions of dollars and millions of hours to immunize three billion children worldwide. **20 million people are walking today who would otherwise be paralyzed!** There were just 328 cases last year, but we can't let up... polio would soon return on a pandemic scale.

**But that's not our main focus!** Rotary Clubs serve the needs of our communities. Projects can be almost anything, from feeding hungry families and supporting children fighting cancer to revitalizing parks. Each Club does many projects every year, but the needs are far greater than Rotarians' donations alone can fund.

**Rotary is effective.** We earn Charity Navigator's top rating every year. Over 95% of your support, after credit card platform fees, goes directly to service. Just click [Donate](#).

**If you'd like to volunteer,** click [Find a Project](#) to see those near you. You can find my Club's project at [My Project](#).

**Thank you very much for supporting me and my Club in giving back!**

Pat

Your Fundraiser Page is created for you automatically when you sign up on the EPIC website for a Club project. You'll also receive an email to send to your Friends & Family with the link to your Page. You can edit your Page if you like, such as adding a photo or changing the default \$300 fundraising goal, but it's ready for you as-is.
