TIPS FOR COMPLETING THIS FORM

GENERAL

If you're working with just one organization, provide information for Organization 1 only. Always include the Rotary Host Sponsor and International Sponsor.

PROJECT OBJECTIVES

In this section, project partners outline the overall goals of the project that all partners hope to achieve together.

For example:

- Improve the quality of education students receive at Community Primary School
- Improve the quality of care for cancer patients at Community Hospital
- Increase farmers' yields by 10% through drip irrigation

RESPONSIBILITIES SECTIONS

Meeting with all project partners to assign responsibilities and record them in writing can prevent conflicts and increase your project's chances of success. It helps ensure that everyone agrees on the basics of the project plan and prevents confusion during implementation. When you define the responsibilities of each partner, carefully consider their resources and skills. Remember that each project has its own unique roles and responsibilities that are essential for effective implementation. List detailed and specific responsibilities for your project.

Questions to consider when determining responsibilities:

- Who will provide technical and professional services? What specific services will be provided, or what specific skills are needed?
- What types of staffing, infrastructure, or equipment is required, and who will provide those?
- Who will provide training, mentoring, education, advocacy, and financial review?
- Who will direct and coordinate local community education and public relations?
- Who will seek community support and resources for the project?
- Who will manage the grant funds and pay suppliers, vendors, and contractors?
- Will cooperating organizations submit itemized expense statements and receipts before they receive grant funds?
- Who will direct and coordinate fundraising efforts?
- Who will pay for long-term equipment maintenance, operations, programming, and staffing

after Rotary Grant funding ends? (Note that Rotary members may continue to support the project, but the project should not depend solely on that support.)

- Who will prepare Rotary Grant reports? Who will collaborate on reporting?
- How will financial records be stored? Who will maintain these records? What is the document retention plan?
- Who will measure and evaluate the project's outcomes? How will they do this? Who will collect results? How will the outcomes be shared?

MUTUAL UNDERSTANDINGS

For legal reasons, the Foundation needs this section to remain as it is. It must not be added to or edited. We understand that, for certain relationships, Rotary members may need to sign a second MOU or contract to comply with local laws. Even in such cases, however, the Foundation needs this MOU to be submitted with your grant application.

AUTHORIZATIONS

Make sure that all parties have signed the MOU. If any signature is missing, it will be considered incomplete. Each sponsor and organization should decide who will represent it as a signatory.

If you have any concerns or questions, your regional grants officer can review your MOU before it is signed to make sure it's complete.
